Michael John Vargas Eria “Pero sa mga biktima ng adik, no say kayo?”

Kaya nga ipinaglalaban ang rule of law, anti-corruption, competent police work, maayos na prosecution, at independent judiciary—para mas maraming tunay na kriminal ang mahuli, mapatunayan ang kaso, makulong, at mabigyan ng hustisya ang mga biktima.

Wag kang tanga: ang EJK hindi “justice for victims.” Shortcut iyon na puwedeng pumatay ng suspect bago malaman kung guilty ba talaga, habang ang tunay na kriminal puwedeng makalusot dahil bulok pa rin ang imbestigasyon at korte.

Kung talagang concern mo ang rape, murder, at violent crime, dapat gusto mong gumagana ang justice system—not a system where accusation becomes conviction and a gun becomes the courtroom.

Ang anti-EJK ay hindi anti-victim. Ang ipinaglalaban nga namin ay sistemang kayang magbigay ng hustisya sa biktima nang hindi gumagawa ng panibagong biktima dahil sa kapalpakan o abuso ng Estado.

Mr. Zay TarriLIEla, let's refresh our memories.

1. According to online sources, in September 2003, you were accused to have cheated in a quiz while studying in PMA and violated the honor code due to your answers being similar to another class. You left PMA prior to graduation in 2004.

Two decades later, there seems to be a similar pattern.

When a Chinese Navy vessel assisted a Filipino fisherman at sea last December, you attempted to deny the facts. Yet the video released clearly shows the fisherman being provided with food and water.

Last January you publicly attacked the Chinese Embassy later claimed you had never mentioned the Chinese leader's name.

Apparently, when confronted with evident, the easiest solution is simply to pretend they never happened.

2. You have parroted foreign rhetoric and narrative containing Chin China relations. There are ample public records in this regard.

PAX SILICA: MAY KONSULTASYON BA SA MGA AAPEKTADO?
Ayon sa alkalde ng Capas, Tarlac, wala pang isinagawang public consultation tungkol sa planong Pax Silica Industrial Hub. Nabanggit din na malapit sa planong site ang Indigenous Peoples communities at maaaring maapektuhan ang mga magsasaka.
Mahalaga ang malinaw at makabuluhang konsultasyon, lalo na kung may mga pamilyang maaaring maapektuhan o mawalan ng kabuhayan...

THREE LEGENDS.
ONE HISTORIC MOMENT.
A rare and unforgettable gathering during Fernando Poe Jr.'s 2004 presidential campaign.
FPJ
THE ULTIMATE CROSSOVER OF PHILIPPINE ENTERTAINMENT:
THE KING OF PHILIPPINE MOVIES. THE KING OF COMEDY.
AND THE MANOY OF THE INDUSTRY.
★ ★ ★ THREE KINGS. ONE BOND. A LEGACY THAT LIVES ON. ★ ★ ★
FERNANDO POE JR. (FPJ)
THE KING OF PHILIPPINE MOVIES
The face of action and the champion of the oppressed. His films inspired millions with courage, justice, and love for country.
DOLPHY
THE KING OF COMEDY
He brought laughter and joy to generations of Filipinos, even in the toughest times.
EDDIE GARCIA
THE MANOY OF THE INDUSTRY
A master of his craft—actor, director, and mentor. Known for his discipline, versatility, and excellence in any role.
A FOUNDATION OF PHILIPPINE CINEMA
For decades, these three giants shaped the industry—FPJ for action and defending the poor, Dolphy for spreading joy, and Eddie Garcia for discipline and versatility. Their unity was not only about politics, but about friendship, respect, and honoring the legacy they built since the golden age of film.
DID YOU KNOW?
Despite their close friendship, the three rarely starred together in one movie. However, Eddie Garcia has the record of working with both FPJ and Dolphy in numerous films—often as FPJ's antagonist or director, and as Dolphy's co-star in several comedies.
"A ONCE-IN-A-LIFETIME MOMENT OUTSIDE THE BIG SCREEN—
A PHOTO THAT FOREVER LIVES IN THE HEARTS OF FILIPINOS."
FPJ (1939–2004)
DOLPHY (1928–2012)
EDDIE GARCIA (1929–2019)
THREE ICONS. THREE LEGACIES. FOREVER REMEMBERED.

Daily Prayer
Lord our God, dear Father in heaven, we thank you for all you do in our lives, for you stretch out your hand to us on earth through our Savior Jesus Christ. We entrust ourselves to you, knowing that everything depends on your rule over our lives. It is your rule that enables us to go forward in your strength and in your light, always finding new joy in spite of struggles and temptations. May your mighty hand be with those who call to you, no matter how they may do it. You see into their hearts. You know those who are sincere, and you will send your Savior to bring them out of all evil and darkness. Be with us today and every day. Amen.

Well, it seems they've extended the subscription period for 5 HBO Asia channels on Cignal Play until September 1, 2026.

So, the news that Cignal Play cease broadcasting 5 HBO Asia channels in August 16 was wrong, or maybe they forgot something, I don't know.

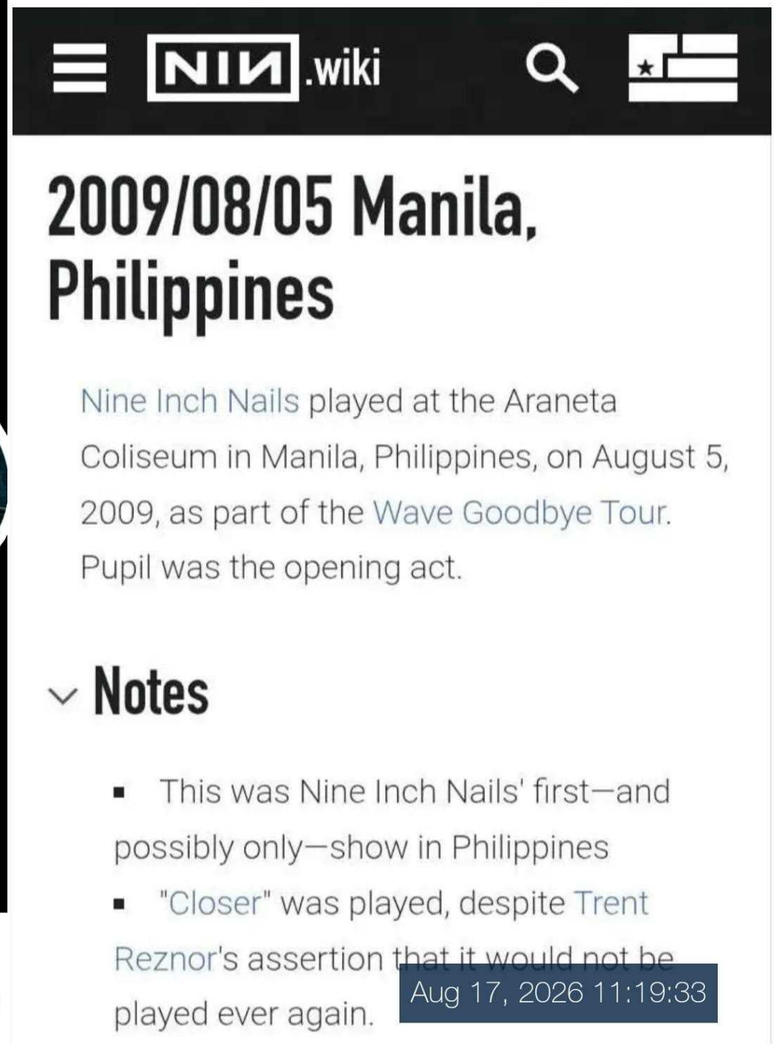
I didn't know Nine Inch Nails played here in our country 17 years ago. Is this true, guys?



NIN.wiki
2009/08/05 Manila, Philippines
Nine Inch Nails played at the Araneta Coliseum in Manila, Philippines, on August 5, 2009, as part of the Wave Goodbye Tour. Pupil was the opening act.
Notes
This was Nine Inch Nails' first—and possibly only—show in Philippines

In the early years of evangelization in Mexico, three young indigenous boys — St. Cristóbal, St. Antonio, and St. Juan — became shining examples of courage and faith. Born around 1514–1517 in Tlaxcala, they were among the first converts taught by Franciscan missionaries.

St. Cristóbal (Cristobalito), son of a powerful chieftain, boldly destroyed pagan idols in his father's home. Enraged, his father beat him severely and threw him into a fire in 1527. The boy endured his suffering with forgiveness on his lips, dying as a faithful witness to Christ at about age 13.

Two years later in 1529, St. Antonio (a noble youth and interpreter for the missionaries) and his young servant St. Juan were caught destroying idols while assisting the friars. A furious crowd clubbed them to death. Their zeal for destroying false gods and proclaiming the Gospel cost them their lives.

These three teenagers are recognized as the first canonized martyrs of the American continent. Beatified by St. John Paul II in 1990, they were canonized by Pope Francis in 2017.

Their story reminds us that faith knows no age — even children can heroically choose Christ amid persecution. In a world that often opposes Christian values, their example calls us to stand firm with joy and charity.

Dear young martyrs, obtain for us the grace to love Jesus above all things and the courage to defend our faith. Pray for the youth of today, that they may be strong witnesses to the Gospel. 🙏

‘I KNOW ATTY. LIGUTAN IS WELL AWARE OF THE DISTINCTION’

ACOSTA: Wala na po akong trabaho sa OVP.
ESCUDERO: In addition to the ground raised by Atty. Ligutan that the witness has taken a position and by virtue of her counter-affidavit filed before the Office of the Ombudsman, the court hereby declares the witness to be a hostile witness.
However, this only gives Atty. Ligutan the right to ask leading questions; still not allowed to ask misleading questions as I know Atty. Ligutan is well aware of the distinction.

“Jesus is real.” These were the last written words of Jonathan Sia, a 23-year-old student from the Philippines, just one week away from graduating magna cum laude.

Battling a severe kidney disorder in the hospital, Jonathan — known as a prayer warrior who loved Jesus since childhood — continued sharing the Gospel with doctors and nurses even while suffering.

Too weak to speak clearly, he signaled for a pen and paper. With trembling hands, he miraculously wrote three clear, legible words: “Jesus is real.” Moments later, as his mother witnessed a radiant light and a sense of heavenly presence, Jonathan passed away peacefully with a smile on his face.

His father, Joel Sia, shared this moving testimony that has touched countless hearts worldwide. In his final act, Jonathan left behind a profound witness: even in the face of death, the reality of Christ shines brighter than any suffering.

This story reminds us that our faith is not in vain. Jesus is alive, He is real, and He prepares a place for those who love Him.

GOD'S RESPONSE
I am overwhelmed with trouble!
Haven't I had enough pain already?
And now the LORD has added more!
I am weary of my own sighing and can find no rest.
Jeremiah 45:3
Come quickly, LORD, and answer me,
for my depression deepens.
Don't turn away from me, or I will die.
Psalm 143:7
My heart is broken.
Depression haunts my days.

I have told you all this so that you may have peace in Me.

'IS THIS AI?'

Atty. Amando Ligutan shows a "simulated representation of P125 million" during the 16th day of the impeachment trial as he questions Gina Acosta, former special disbursing officer of the Office of the Vice President.

"A simulated representation of P125 million, sinabi mo P1,000 bill diba? You tell the public, Ma'am, if 'yung nakita mong P125 million in cold cash. Kindly please confirm if that cold cash you saw, P125 million, do they look like that?" Ligutan said.

"Before the prosecution proceeds with the question, may I just ask the source of the photo and how it was generated?" Atty. Lindon Bacquel of the defense interjected.

"Yes, counsel. Either it is distorted because the P1,000 bills look bigger," Presiding officer Chiz Escudero added.

"Is this AI?" Bacquel asked.

"Yes, of course... Because we don't have P125 million in cold cash, so we had to resort to technology," Ligutan explained.

Almost accurate yung AI, (medyo di lang maganda ang scale kasi nga AI) kasi ang kapal ng 1M is 15cm. So 125x15cm=1,875cm=1.865M. Lampas sa height ng isang tao. So halimbawa inilagay sa area bilang na 10bundle x 4 bundle, ang height niya e almost kalahating metro.

LOOK: Prosecution counsel Amando Ligutan presents an AI-generated representation of four travel bags containing P125 million.

"Do they look like this?" he asks.

Former OVP SDO Gina Acosta says the bags they used did not have similar round openings but had straight openings instead.

Acosta says she personally packed the four bags and was helped by two bank security personnel in carrying them out of the bank, where their vehicle was waiting.

She says she was accompanied by OVP Assistant Secretary Lemuel Ortonio. Apart from two drivers who were VPSPG members, no other security officers accompanied them. #VPonTrial | @AprBenjaminINQ

Ang “hostile witness” ay isa sa mga legal terms na madaling ma-misunderstand dahil tunog kontrabida. Hindi ibig sabihin nito na galit ang witness, bastos siya, o kalaban siya ng korte.

Sa batas, mas simple: hostile o unwilling witness ang isang taong kailangan mong ipatawag bilang testigo dahil mahalaga ang alam niya, pero ang kanyang interes ay maaaring salungat sa panig na tumawag sa kanya.

Sa ilalim ng Rule 132, Section 13 ng Revised Rules on Evidence, maaaring ideklarang hostile ang witness kapag may sapat na pagpapakita ng adverse interest, unjustified reluctance to testify, o kung nailigaw niya ang party na tumawag sa kanya. Kapag hostile na siya, puwedeng tanungin siya ng prosecution gamit ang leading questions at, sa tamang pagkakataon, kontrahin o i-impeach ang sarili nilang witness—mga bagay na karaniwang limitado kapag sarili mong ordinaryong witness ang nasa stand.

Ganito isipin:

Kung normal witness mo ang tao, parang sinasabi mo: “Ikaw ang testigo namin. Ikuwento mo sa korte ang alam mo.”

From the Canaanite woman we learn humility and determination. Thanks to her faith, we learn that God's table is set for everyone and that no one is left merely with crumbs, because each person has his or her own place with the Father. In the light of this faith, inequalities, discrimination and barriers that trample on the dignity of too many of God's sons and daughters become unbearable. #GospelOfToday (Mt 15: 21-28)

With all due respect to our Bisaya friends, but if she cannot comprehend question and explain herself in Filipino and English --- this is very problematic.

Especially when the project proposals and financial plans submitted were in English.

Please remember that the Office of the Vice President is a national office.

AI-GENERATED IMAGE SANG ₱125 MILLION

Ginpakita sang prosecution team sa impeachment trial ang AI-generated photo nga nagapakita kon ano kadamo ang ₱125 milyon nga cash para sa confidential funds.

Ginlarawan man ni anay OVP special disbursing officer Gina Acosta ang kadakuon sang box nga ginasudlan sang kwarta. Suno sa iya, may tig-isa ka bundle kag duha ka box ang kinahanglan para sa ₱125 milyon.

Padayon naman nga ginapamatukan sang Defense team ang paggamit sang AI-generated image sa hearing.

Nagapadayon karon ang impeachment trial kay Vice President Sara Duterte.

S Korea to continue discussions with US on military cooperation on Iran, Strait of Hormuz

The South Korean presidency has issued a statement on Trump's decision to scale back the annual military drills between the two countries.

The presidential Blue House said it was reviewing Trump's comments, adding that it hoped a favourable relationship between Washington and Pyongyang could lead to meaningful talks.

It also said it would continue discussions on US-South Korea military cooperation related to Iran and the Strait of Hormuz.

As we've been reporting, Trump had ordered the Pentagon to "substantially reduce" the Ulchi Freedom Shield drills, which begin today, claiming Seoul declined to join in the "denuclearisation" of Iran.

Actress Hayden Panettiere died Sunday. She was 36 years old.

Further details surrounding Panettiere's death were not immediately available.

Her father asked for privacy "as our family takes time to process this unimaginable loss."

Beginning as a child star, with a long career in both TV and film, Panettiere is remembered for her roles as Claire Bennet on the hit series "Heroes" and as Juliette Barnes on the musical drama "Nashville."

She also starred in "Remember the Titans," "Raising Helen," "Ice Princess" and "Scream 4."

Ligutan shows an AI generated image of the four traveling bags used by Acosta for the withdrawal.

Bacquel objects to the use of this, but Escudero allows Ligutan.

Acosta then says the bags she used were different.

She adds that she was the one who transferred the money from the two boxes into the bags.

There were no escorts but according to Acosta, their two drivers were members of the VPSPG.

August 17, 2026 | KABALAKA – Community Outreach Program 💙🤝

The LGU San Enrique, led by Mayor Gian Carlo Niño P. Fernandez and Vice Mayor Rosario Mediatrix P. Fernandez, in partnership with SEKAP (San Enrique's Kabataan for Progress), and with Dr. Jose J. Patubo, Tourism Officer, and the Tourism Staff, conducted KABALAKA—a meaningful community outreach activity for the Indigenous Peoples of Brgy. Abaca, Sitio Gomez, San Enrique, Iloilo.

The activity included the distribution of hygiene kits, relief goods, household items, used clothing, and stuffed toys, extending assistance and sharing the spirit of compassion and bayanihan with the community.

KABALAKA reminds us that true service goes beyond programs and celebrations—it is about reaching communities, extending a helping hand, and making every San Enriquenhon feel valued and remembered. ❤️

The LGU and Tourism Office extend their heartfelt gratitude to SEKAP and everyone who shared their time, resources, and blessings to make this initiative possible.

Padayon kita sa pagbuligay para sa aton pinalangga nga San Enrique! 🤝💙
